Discussion Questions:

1. Share an Easter Sunday from your life that was especially meaningful to you spiritually.

- What was it that made it so meaningful?

- Do you have any special family memories of an Easter Sunday?

2. Go back to Isaiah 53.

- How do I know this is speaking of the Christ? (hint: look at the context of the previous chapter and other passages you may already know from the Old Testament)

- Note every passage in the chapter that speaks specifically about the death of Christ.

- How might you use certain passages in your gospel witness?

3. Will only believers be resurrected? (See, for example, Dan. 12:2; Jn. 5:29; Rev. 20:4-6; 12-15)

- What are the implications of this teaching?

4. What is *one thing* you definitely want to take away with you from today's message?

How do you plan to *follow through* on that *one thing*?
